“ I had the privilege to work on many claims with Joe over the years. I always looked forward to any claims meetings with Joe as there would surely be some good stories to follow over a cold beer ! I'm going to miss his loud distinctive voice calling my office , made me laugh every time . My deepest sympathy goes out to Joe's family , he always talked about them and sounds like there were some great family adventures .

“ Lori/Chase/Hunter
I have worked with Joe for about 15 years. We have worked claims together in many states. He was always a wealth of knowledge and bank of humor. He has helped me on many cases and I have done legwork on his. He became like a fatherfigure to me over the years and will be greatly missed.

May memories of Dad and the love of family surround you and give you strength in the days ahead.

“ Nell and Debra, I'm deeply saddened to hear of Joe's passing. Way too young to lose your son and brother. I remember Joe as always being a kind and good boy growing up on Hibiscus Circle. Treasure all the wonderful memories that will now live in your hearts forever.

“ Lori,

So sorry to hear the news of Joe's passing. He was such a great guy and one of the funniest people I knew. He will surely be missed by friends and family, and I have no doubt his memory will live on forever. I can still remember when you two first started seeing each other up in Pensacola - knew you two were meant for each other. My heart felt condolences for your loss.

“ Lori, Hunter, Chase,

Joe was a force of nature. One of the funniest, kind hearted people I have ever met. Always made me laugh even when I was feeling down. He will be sorely missed by so many people in addition to his family. I can't believe I won't be able to just pick up the phone and crack jokes with him any longer. I am so very sorry for your loss.

“ To Lori, Chase, & Hunter and family. My heart simply sank when I seen this news. I know there are no words that could come close to comforting you right now. Please know that if you need us for anything we are here for you. Bobby, Hunter and I will keep you all lifted up in our prayers. I just seen Joe at the Dollar Tree a few weeks back, I helped him find the reading glasses LOL :-). He was as always his delightful self. I am so glad I got to share a conversation with him that day. He will always be in our hearts. May the wings of an angel keep you all comforted today and all the days ahead. Love you all very much!

“ One of the best neighbors anyone could ask for! We are truly going to miss his singing and when Alabama was playing, you could hear him yell ALABAMA! Heart of gold, and would give you the shirt off his back. So sorry for your loss.
