Mary touched so many lives and was loved by so many that she will never be forgotten and will be greatly missed.

“ I remember when Mary and her now husband moved into the neighborhood and we are roughly the same age. Her presence was undeniably warm and welcoming and she was just SO sweet. I am saddened by the news but I can smile and think about small moments that we shared.. one in particular which was our Terminix contracts which we both agreed we weren't fond of and also how my dog would take off to their house sometimes to get attention. I pray for peace and healing to all that knew her, especially her husband and son and immediate family members. She will be missed by all that had the opportunity to meet and personally know her.

“ Mary was truly a light with inner and outer beauty! I understand now that we were destined to meet and become friends in the time we did. I was not even supposed to be at SBJ when we met that school year (definitely orchestrated by God). Her genuine love and care for others, her affectionous laughter and even her sassiness instantly connected with me. She will be missed by so many! May you rest in His arms, dear friend (my homegirl)!
